Is a candidate for Representative of Lincoln County, subject to the action of the Democratic party.

Democratic Ticket.

For Congress.

HARVEY HELM
of Lincoln county.

THE unprecedented majority of Ike Smith for Governor of Georgia comes as a complete surprise to those who thought that Clark Howell more nearly represented the cause of the people. Smith was Cleveland's Secretary of the Interior, and it was thought that he had made many enemies by his support of Cleveland. That he carried 110 of the 145 counties and Howell only six, with the rest of the counties scattered among the three other candidates, show that he is overwhelmingly the people's choice and that he will be nominated by the convention which meets September 4, on the first ballot. In Georgia the primary settles the election, the result being equivalent to election. Smith is an ex-newspaper man, having owned the Atlanta Journal. Howell is editor of the Constitution and J. H. Estill, another candidate, is editor of the Savannah News. The fight was therefore chiefly among editors and they have made it hot. The campaign was waged with great intensity and in some respects a most disgraceful manner.

ACCORDING to the revenue returns 4,000,000,000 cigarettes were taxed last fiscal year, or an increase of 416,000,000 upon the preceding. As enormous as is the total it is not over 50 cigarettes for each head of population per annum. These wouldn't hurt much if divided out in that way, but the trouble is that a comparatively few try to smoke the whole number. The laws of several of the States prohibiting the sale and enjoyment of cigarettes have had no visible effect in lessening the consumption. Is this because the people take pleasure in defying what they regard as absurd and tyrannical sumptuary enactments?

CONCERNING the proposed joint debate between candidates Beckham and McCreary, Senator Bailey, of Texas, said: "Well, if it's a good-natured debate it will do good, but if it brings in bitterness and ill feeling it will do much harm. I believe in joint debates myself. The people have a right to compare their candidates side by side, and it makes the speakers cautious in their statements, as they realize that any error or misstatement will be at once exposed."

JUDGE S. W. HAGER, Kentucky's next governor, spoke to a large crowd at Lancaster yesterday after a handsome introduction by Hon. R. H. Tomlinson. Judge Hager's effort was able and timely and was well received. After the speaking the judge drove over to this place and spent several hours in meeting and conversing with democrats. He made a fine impression both here and at Lancaster.

THE President has announced that he has adopted the Carnegie reform spelling and that he has instructed the public printer that all official documents from the White House, including the President's messages, shall be printed in accordance with the recommendations of the Spelling Reform Committee headed by Brander Matthews, of Columbia University.

HON. HARVEY HELM, of this place, was selected by National Committee-man Urey Woodson as one of 10 Kentuckians to serve on the reception committee on the occasion of Mr. Bryan's reception at Madison Square Garden, New York, Thursday next, but was compelled to decline on account of business affairs.

THE Chicago man who disappeared from home 31 years ago and was not heard of by his friends till recently, when he returned, and handing his wife \$5,000 told her to take it and ask no questions, has been arrested for bigamy, preferred by a South Dakota woman.

THE Kentucky State Journal, the democratic organ of the State, makes the remarkably low offer of that paper daily until Nov. 7 for 50c. If you want to keep posted on democratic doings and things in general send 50c to W. P. Walton at Frankfort.

JOHN D. WHITE serves notice that he will contest the nomination of Edwards for Congress. As Edwards' majority is about 8,000 and still growing the crested jayhawker may get some fun out of the contest but he will get no pie.

POLITICAL.

Cato Sells, John Temple Graves, Robert L. Taylor and H. H. Hitchcock are announced as the speakers for the Bryan reception in Chicago.

W. J. Bryan has accepted an invitation to dine with the newspaper men of New York on the evening of September 1. The programme for the Bryan reception in New York August 30 was announced.

Secretary of the Treasury Shaw will speak at Nashville Sept. 14.

Fire Chief W. R. Joyner has been nominated for Mayor of Atlanta, Ga.

Senator James B. McCreary and Gov. Beckham have agreed to meet in Lexington at noon to-day to arrange the details of the joint debates.

Hon. H. C. Duffy, chairman of the Democratic County Committee, of Harrison, announced his candidacy for the Democratic nomination for Congress in the Ninth district, making two candidates for the honors from Harrison county.

District Attorney William Travers Jerome gave out another interview in New York in which he severely attacked William R. Hearst as a man "of no importance and no ideas," and declared the Democratic party in New York "would not stand for" Hearst's nomination for Governor.

A tabulation of the vote shows that Hon. D. C. Edwards, of London, received 11,724 votes, while John D. White received 3,825 votes, and Charles E. Herd received 2,591 votes. These figures do not include the vote of Jackson and Letcher counties, which was not before the committee. Mr. Edwards, however, received 316 plurality in Jackson and 100 in Letcher over White. Herd running third in each of these two counties. Edwards' plurality over White 8,344, and about 10,000 over Herd, and over 2,000 more than both together.

Galveston's Sea Wall

makes life now as safe in that city as on the higher uplands. E. W. Goodloe, who resides on Dutton St., in Waco, Tex., needs no sea wall for safety. Summer Diarrhoea in Children.

During the hot weather of the summer months the first unnatural looseness of a child's bowels should have immediate attention, so as to check the disease before it becomes serious. All that is necessary is a few doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy followed by a dose of castor oil to cleanse the system. Rev. M. O. Stockland, Pastor of the first M. E. Church, Little Falls, Minn., writes: "We have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for several years and find it a very valuable remedy, especially for summer disorders in children." Sold by Stanford Drug Co.

Commissioner's Sale!

Lincoln Circuit Court.

Murphy Duvall, et al., Plaintiffs, vs. Viola Morton, et al., Defendants. Notice of Sale in Two Cases.

Pursuant to judgments of the Lincoln circuit court rendered in two separate causes, each of which is styled as above, the undersigned Master Commissioner of said court will on

MONDAY, SEPT. 10, 1906,

between 1 and 1200 p. m., in front of the courthouse door in Stanford, Ky., sell at public outcry to the highest and best bidder two tracts of land, to-wit: The first tract is 15.50 undivided interest in the tract of land hereinafter described. This tract was decreed in order that certain infants, who are parties hereto may be given the use of the proceeds of the sale of their shares in the said land to enable them to receive education, and to satisfy certain liens thereon, as hereinafter set forth, to-wit: A lien of Fannie Douglas for the sum of \$100 with interest at 4 per cent from October 11, 1900, subject to a credit of \$12, paid Oct. 11, 1900, this lien being upon the undivided 7.75 undivided interest; also a fourth lien of Fannie Douglas upon one of the undivided interest ordered sold for sum of \$107, with interest thereon at the rate of 4 per cent per annum from Jan. 14, 1902 until paid, subject to credits of \$18.46 paid January 14, 1903, and \$28 paid Sept. 2, 1903 and \$15 paid Oct. 25, 1903.

FOR SALE.—5 1/2 acres of growing hemp, best in this section, and 22 acres of corn close to town, suitable for feeding down to hogs. Plenty of water in field. A bargain if sold immediately. W. R. Denham, Stanford.

BANK STOCK.—I will sell at public auction on Monday, Sept. 10th, county court day, five shares of stock in the National Bank of Hustonville. Sale will take place in front of the court house at 1 o'clock p. m. W. H. Harris, executor Mrs. M. B. McAlister.

J. C. REYNOLDS, who has been to New Albany, Ind., in employment of a box factory, returned home yesterday much wiser than when he left. He told us that he could not live on cold bread all the time and he thought best to come home where he could get "three hots."

SLOAN.—Harvey Sloan, the 15-year-old son of Mr. and Mrs. A. P. Sloan, died at his home near Hubble Friday evening and was buried in Buffalo Cemetery Saturday afternoon after services at Hubble by Elds. F. M. Tindler and George Gowan. Young Sloan was a splendid boy, only recently having given his heart to God and joined the Christian church. Appendicitis, from which he suffered some time, caused his untimely death. The parents and other members of the family are almost crushed by their loss and great sympathy is felt for them.

GRAPES in abundance for sale. Ed Hubbard, Stanford.

NOTICE.—There will be a temperance address and rally for the good cause of temperance, by Rev. J. L. Owens, at McKinney Baptist church Aug. 30. All are cordially invited to be present and help in this good cause. COMMITTEE.

ANNOUNCEMENT.—There will be a short musical program given in the Seminary chapel Friday evening, Aug. 31, by Prof. and Mrs. O. B. Fallis as an informal opening of the Stanford Male and Female Seminary. All are invited.

I WILL move to Lawton, Oklahoma, in a few weeks, but my sons, Walter and Elmer Denham, will continue the coal business in Stanford. Thanking the people for a generous patronage, I ask a continuance for my boys. W. R. Denham.

REV. F. M. TINDER, of Lancaster, made a short talk for the cause of temperance at the court house Saturday afternoon. On account of his having to preach the funeral of young Harvey Sloan at Hubble at 2 o'clock, he was detained and the crowd was not as good as it otherwise would have been.

HON. HARVEY HELM has been declared the regular democratic nominee for Congress in this district. This having been accomplished let us go to work to elect him by an increased majority. He is as great in mind as he is tall in body and will make a Congressman of whose record we will always be proud. Mt. Vernon Signal.

GOOD MAN IN TROUBLE.—L. M. Westerfield, of Livingston, chief train dispatcher for the Knoxville Division of the Louisville & Nashville Railroad, was arraigned before United States Commissioner Frank B. Riley at London on a charge of discrimination against members of the Order of Railroad Telegraphers. He waived an investigation of the charge and executed bond for his appearance before the United States District court at London Nov. 28. We are not thoroughly conversant with the conditions in the case, but are ready to wager that the clever "chief" will come out on top. He is too good a man to be bothered by Federal officers.

EASTLAND.—William Cleland Eastland, aged 25, died at the home of his parents, Mr. and Mrs. A. G. Eastland, in Louisville, at 4:30 Friday afternoon after a long illness of consumption of the bowels. The remains were brought to Danville and after appropriate services by Dr. E. M. Greene laid to rest. Some months ago he chose the following gentlemen to act as his pall-bearers and they did so: Messrs. Kendrick Alcorn, Walter Hopper, Harry Higgins, Tim W. Pennington, of Stanford, and T. D. Newland, Jr., and Thomas Durham, of Danville. Deceased was one of the very best young men we ever knew and was in every way prepared to meet his Maker.

IMMENSE crowds attended the Barbourville fair on Wednesday, Thursday and Friday of last week and the show of stock and races were unusually good. The grounds have recently been improved, the stables enlarged and the track repaired and everything was in ship shape for the exhibition. It is estimated that over 7,000 people were present Thursday. Saturday the Red Men took charge of the grounds and had a big time generally. Mrs. John W. Bastin, of Pittsburg, a former resident of this county, won the blue tie on her fine pair of sorrel mares Friday and got the red tie in the fancy turnout ring. She was accompanied in the ring by her pretty niece, Miss Mae Martin, of Paris.

WANTED.—A good hand to work on farm. Come recommended. Dr. Hugh Reid.

LOT of household goods, carpets, piano, etc., and a good wheat drill for sale cheap if bought at once. W. R. Denham.

THE Cumberland Valley Land Co. declared a dividend of 3 1/2 per cent. and checks will go forward to the stockholders at once.

THE harvest is past, the summer is almost ended and some of our subscribers have not paid for their paper yet. Shame on them!

LINCOLN county fairs were not a success financially this year. The one at Stanford lost \$3.74 on the \$10 share, the Hustonville fair \$2.50 and the Stanford colored fair \$2.

GOOD FOR ERNEST.—Ernest Warren, first "trick" man in the L. & N. dispatcher's office at Middlesboro, has been promoted to assistant chief dispatcher and will begin his duties as such September 1.

THE ladies of Stanford and vicinity are invited to meet the Lancaster ladies in a service at the Christian church Tuesday afternoon at 3 o'clock, to effect an organization to fight the great evil of our homes. Let us plead with the women to come and help us in this fight for right against wrong. COMMITTEE.

CARD OF THANKS.—We desire to thank our friends and neighbors and Drs. Burnett and Peyton for their kindness during the illness of our son, who died on Friday, Aug. 24. Words can not express our gratitude nor can we ever forget the friends who stood by us so close and showed so much sympathy in our trouble. May God bless them all. A. P. Sloan and family.

BRO. GEORGE O. BARNES, the well-known evangelist, who became a Dowie follower, has a communication in the Stanford Interior Journal, in which he says the fall of Elijah II. is no proof that he is a fakir, but that his end is like that of David, Moses and others who walked close to God and afterwards fell. Bro. Barnes warns his readers to judge not, but we fear he will find very few who will not say that John Alexander Dowie is a fraud, a charlatan and an impostor. Frankfort Journal.
